Rustico Vi Augura Buon Appetito

Telluride is one of the most beautiful and relaxing place in the world.

At Rustico we cook everything fresh to order "al momento", and also longer time is needed in high altitude (8750 ft). At Rustico, sometimes, it becomes very difficult to satisfy everybody's requests and expectations and sometimes food will not be served at the same time. Food will be served when is ready. Please be aware that it will take longer time to serve you. When holiday season, festivals, concerts and large parties we become extremely busy and **it can take more than 1 hour between courses**. Be patient and embrace the Mediterranean diet in a high mountain and like in Italy enjoy quality time with your family and friends! Grazie
18% service charge will be added to parties of six or more. Visa, Master Card, Amex. No checks accepted.

Consuming raw and undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of food borne illness
